A “special meeting” was held jointly with the Fire Advisory Board to allow Motorola the opportunity to discuss and demonstrate their emergency services equipment and systems.

1835 hours: Fire Board Chairman Bergson opened the meeting and requested that all regular business be suspended.

New members of the Fire Advisory Board and EMS Advisory Board were introduced. Jared Rosenberg was introduced as a new member of the EMS Advisory Board.

A number of speakers from Motorola discussed the current and future or communications technology that included voice and data systems. Discussion included the future of digital technology and how it can be integrated into the fire and EMS services to enhance information dissemination, awareness and accountability.

The Motorola PowerPoint will be posted on the DES website for the EMS Advisory Board. Radio Systems Updates.

REMINDER!
